

“Improving Productivity by Altering Attitudes”

“A dramatic speaker for your next event!”

Holly H. Hollenbeck, JD

After nearly twenty years in the corporate world practicing law, negotiating multi-million dollar deals, and improving personal relationships with her internationally published book, Holly is sharing her wealth of attitude enlightenment with powerful confidence building keynote speeches that are sure to increase productivity both professionally and personally. Holly has appeared on national television including *The Today Show*, *Fox News*, and numerous other TV and radio shows. She has been published in four countries by conglomerates including Random House and Time Warner - successfully helping couples improve their relationship attitudes. Now Holly provides corporations and all types of organizations with energizing, skill-building techniques to improve the bottom line.

Make your event a smashing success with Holly’s custom built keynotes and workshops!

- Secrets of The Confident Collaborator

“Holly Hollenbeck is amazing! Her presentations are professional, enlightening and lively. She took the time to know her audience and to effectively tailor her presentations to her audience. Her humor and energy kept us on the edge of our seats!”

Priscilla Hunt
International Conference coordinator
IMEC, July 12-15, 2007

“I’ve spoken to Holly in the hallways, taken her seminars and stood side-by-side with her on the stage, and all I can say is ‘Hold on to your hats!’ Holly’s dynamicism, insight and ability to connect with an audience are exemplary. She’s organized, smart, and really comfortable presenting. Any group that has a chance to hear Holly speak will leave the encounter energized and enlightened.”

NBC reporter Natalie Morales interviewing Holly on NBC’s The Today Show

“Improving Productivity by Altering Attitudes”
**Fun, uplifting approach to energizing
 your organization.**

Improve attitudes, communication skills,
 negotiating capabilities, and more!

As seen on *The Today Show*, *Fox News*, and numerous other national and regional TV and radio.

Internationally published author in US and Canada, by Time Warner/Springboard Press, Random House UK, and TEA in Italy.

Education: Juris Doctorate, Bachelor of Science in Business Administration, graduate of the international Center for Creative Leadership, and Richmond - The American International University in London, England.

Practicing Attorney: Deal drafter and negotiator, in-house counsel in the tech and telecommunications industries, and former litigator.

“Holly Hollenbeck is an attorney and internationally published author whose warmth and wit as a speaker are balanced by an extensive and varied background. Many speakers can offer the typical motivational advice but Ms. Hollenbeck combines proven tactics and captivating examples to stimulate her audiences to improve corporate performance. Ms. Hollenbeck is a valuable asset to any event.”

Doug Denoff, Producer and Owner of Sutton Square Entertainment, New York City, NY

“Holly is a joy to listen to; she’s very professional, poised. Holly not only prepares for the type of audience she’s speaking to, she’s flexible in the way she relates to the audience and figures out a way to connect with them. She’s amazing! I have been to many benefits featuring authors or national political figures, and Holly captivates the audience with her charm, wit and intelligence.”
